2. The pattern of a breakthrough is we learn, we learn, we learn, we learn and then we have a breakthrough. Fall in love with incremental improvements. Anything that gets you a little bit better matters

3. Know how many sales presentations you need to run in 2022 to have a successful year.

4. Pick 1-3 skillsets that you will work on throughout 2022

5. Think in decades. We become what we think about

6. Commit to running with me in 2022. You can do free or paid and free (Protégé Program). Email or text me your commitment

7. Create a new story for 2022
