Thousands of hours of audio and video learning

29 years in sales

60,000 hours

Time Management / Sales / Marketing / Technology / Personal Development /  
Goal Setting

The more you work on your skills the better you get

3 Ways of Learning

Intellectually

Experientially

Teaching

The focus is going to go away from 15 minutes at a set time

This will allow me to go shorter or longer depending on what I am teaching

The focus is going to go to community through the Facebook group

This will allow a conversation to be happening in real time
